

PARTNERSHIP WITH HUMBOLDT AREA FOUNDATION

The NCCT is a collaboration between North Coast donors, artists, cultural organizations and community groups and is administered by the Humboldt Area Foundation. Developed by artists and community leaders in 1997, the NCCT houses 31 donor advised funds and offers an annual Project Grants to Artists program. The NCCT funds provide a stable, flexible and purposeful endowment for the arts and humanities in Humboldt County. Project Grants to Artists affirm the vital and complex roles artists play in Humboldt County by supporting art of the highest quality, community engagement and cultural experiences that enhance life on the North Coast.

The Community Arts Grants Youth Program is administered by the Humboldt Arts Council, an NCCT partner organization.
