

HOW TO SUPPORT

The NCCT invites and encourages you to support local arts and artists.

There are many ways to become involved in arts on the North Coast including:

- Attend recurring arts events like Arts Alive, Arts Arcata, North Coast Open Studios, and Pastels on the Plaza
- Volunteer your time and expertise with an artist or at an arts organization
- Educate yourself and others on the impact of arts on our economy
- Support arts education programs in our schools and communities
